ACCREDITED 'A+' BY NAAC

7.3.1 INSTITUTIONAL DISTINCTIVENESS

We distinguish ourselves by providing remarkable infrastructure facilities that surpass those of neighboring institutions. The college now offers a diverse range of Five meticulously designed graduate courses, two Post graduation courses and Certificate course in Yoga.

Even though the college is situated in rural area, our college stands out for its remarkable facilities that surpass those of nearby institutions. These facilities provide our students with ample opportunities for physical fitness and sportsmanship, promoting a holistic approach to education.

Our digital classrooms are equipped with advanced technology, creating an interactive and engaging learning environment, allowing them to apply theoretical knowledge to real-world situations.

We place great importance on fostering the holistic development of our students by encouraging their active involvement in a range of community-oriented programs. To achieve this, we have established the National Service Scheme and the Youth Red Cross, Women Empowerment Cell, Eco Club, etc. within our institution. These initiatives not only encourage our students to actively participate within the confines of our institution but also serve to enhance the lives of individuals in our community.
