A Brief Report on One Day National Level Multidisciplinary Webinar on the topic "Language, Literature and Culture" on 20th July, 2021

The Department of English UG & PG, Shri K. A. Lokapur Arts, Science and Commerce College, Athani was organized One Day National Level Multidisciplinary Webinar on "Language, Literature and Culture" under IQAC initiative on 20th July, 2021. Platform: Google Meet.

The Departments has invited the eminent Professor and Registrar from Kalaburgi, for addressing the Webinar, of whom, he has already confirmed his participation.

Shri Anil V. Deshapande, Managing Council Member, J. E. Society, presided over the session which started at 10.00 a.m. while as **Registrar, Dean, School of Humanities and Languages and Professor of English, Central University of Karnataka, Kalaburgi, Prof. Basavaraj Donur**, was the Keynote Speaker on the inaugural session. In addition to the inaugural and the valediction, around 120 participants have made their participation.

Talking about the webinar Registrar, and Professor of English, Prof. Basavaraj Donur said, "The diverse and vibrant linguistic, literary and cultural traditions of South India and North Karnataka offer a fertile ground for the analysis of their historical constructions and reconstructions. At the same time, these traditions and forms of knowledge attest both to their own essential quality as well as to the fact that they are products of historical and cultural accidents."

"A study of how these societies emerge and evolve involves the study of the connection between culture and literary production. Hence the explorations of these joints and questionings are necessarily cross-disciplinary, cutting across, corrective boundaries such as literary studies, linguistics, history, philosophy, current politics, social structure and beyond" he added.
